

# ZR 308

## Armoured Cable Lock

- ◆ Armoured Cable Lock ◆ 18 x 1000 mm ◆ 5-digit combination lock (variable code) ◆ hardened steel cable ◆ vinyl coated

### Operating Instruction

- 1) Insert the combination 00000 and open the lock.
- 2) Turn the ring, at the inner side of the combination part, right until it locks in place.
- 3) Insert now your personal code and note it.
- 4) Turn the ring left, back into starting position. Your personal code is now fixed.
